

Reckon 

**We know running
a business isn't easy.
But our software is.**

**Spend less time managing your finances
and more time growing your business.**

Payroll software that's perfect for any business.

Easily manage employee wages, leave, super and STP.

Single Touch Payroll sorted

Reckon Payroll is Single Touch Payroll compliant and ATO certified. Process a pay run, then send your STP reporting directly to the ATO in just a few clicks.

Manage payroll on the go

Create pay runs, manage STP, PAYG & entitlements from wherever your business takes you with our Reckon Payroll mobile app.

Auto compliance updates

Stay up to date with the latest payroll and tax compliance changes with PAYG tax tables, superannuation guarantee rates and SuperStream requirement updates.

Payroll hub for employees

Invite your employees to download our Reckon Mate app which gives them access to their personal payslips, leave balances, payroll summaries and more.

The image displays the Reckon Payroll software interface across three devices: a laptop and two smartphones. The laptop screen shows the 'Pay runs' section for '1 Mar, 2024' with a table of employees and their earnings, tax, net pay, and super. The mobile phones show the app interface with a list of pay runs and a summary for Jason Smith.
